v.

THOMAS D. SELGAS (1)

JOHN GREEN (3)

SCHEDULING MOTION

COMES NOW, JOHN GREEN ("Defendant John Green"), and respectfully requests the Court supplement his pleadings and would show this Honorable Court the following:

Counsel has been apprised that Mr. Selgas disputes the tax claim of the Government and will put on testimony showing that it was inappropriately received for the jury. To the extent that Mr. Selgas' evidence, and arguments do not conflict with Mr. Green's defense and arguments, Mr. Green requests permission to adopt them.

Other than the existing letters of support from his community which have been forwarded to the court, Mr. Green does not intend to offer additional evidence at the sentencing. However, he would like the opportunity, to the extent it is not in conflict with any of his positions, to adopt Mr. Selgas' evidence regarding the Government's tax claim.

The entire trial was handled with cooperating agreements with the three original defendants, and when Mrs. Selgas was acquitted, it continued with cooperating agreements with Mr. Selgas and Mr. Green.

Accordingly, Green requests that his hearing follow Mr. Selgas' hearing so that the court can rule on Green's sentencing after Selgas has presented his arguments. Mr. Selgas is

the primary defendant in the case and listed first. In the alternative, Green would request that this court not rule on his sentencing until after Selgas has put on his argument and evidence.

At this time Green anticipates that his position will be substantially identical to his pleadings.

Respectfully submitted on February 8, 2021.
